January 30th 2012 marks a very important date as it's the day when we will be operational at our newly acquired 90,000 sq ft advanced manufacturing facility at Middlemarch Business Park, Coventry ([click here to download map](#)).

The move is all part of a continuing major investment plan and will bring all our manufacturing under one roof giving us more space to perform and to grow.

We will be generating 30 new jobs and installing 5 new machines which will include 2 brand new Trumpf 3030 5kw lasers, 2 brand new Trumpf 5130 3m 130t press brakes plus a state of the art 7 Axis Cloos Robotic Welding cell. All of which will see our capabilities increase to:

- 5 flatbed lasers, 1 CNC Punch, 6 Press Brakes
- 7 axis Robotic Welding cell and 24 manual welding bays
- Rapid prototyping and product development area
- Fully enclosed inspection area with FARO measuring equipment
- 3rd bay for future expansion
